Subject: McCain-Feingold Act

Regarding how political ads on the Internet will be covered by the new rules resulting from the passage of the McCain-Feingold Act:

Amendment I

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.

I think that's pretty clear.

Sincerely,

Jamie Crawford
